

Large, two-storey house with a swimming pool and sea views, situated on a plot of just 290 müNN in La Punta

La Punta

C- 3673

The house (150 m² floor area) is situated well below the LP-1 country road in a very quiet residential area with an exceptionally favourable climate. It is in good condition and comprises, on the ground floor, an entrance hall, a living room, a kitchen-diner, one large and one small bedroom, and a bathroom. In front of the entrance hall is a large, partially covered terrace with seating, a sunbathing area and a small outdoor kitchen.

An internal staircase leads to the upper floor, which comprises a small living room, a kitchen, a small hallway, a large bedroom with sea views and a small bedroom. There is also an alternative, separate entrance via the kitchen – completely independent of the ground floor – which is accessed via an external staircase. The living room opens onto a spacious corner balcony with sea views.

The external staircase leads both to the 17 m² swimming pool with a beautifully landscaped outdoor area featuring a covered terrace and an outdoor shower, and to the roof terraces on the second and third floors.

Behind the covered terrace of the pool area stands an old farm building, which could be used as space for future extensions or converted into a private car park. However, the verge of the side road can also be used for parking without any problems.
